

Výborné vlastnosti vysoce slinutých neglazovaných dlaždic s přírodním kolísáním kamenného designu v ploše předurčují sérii KAAMOS k širokému uplatnění jak v interiéru, tak exteriéru. Matný hladký povrch s elegantním kontrastem lesku zaručuje bezproblémovou čistitelnost při garanci protiskluznosti pro veřejné plochy.

„Řešení bez kompromisů.“

The excellent properties of the highly sintered unglazed tiles with natural variations in the stone design in the surface predestine the KAAMOS series for its wide range of applications both indoors and outdoors. The matt smooth surface with elegant gloss contrast ensures easy cleanability while guaranteeing anti-slip properties for public areas.

„A solution without compromises.“
